

About Club Veedub Sydney.

Do you own a classic air-cooled, or late-model Volkswagen? Would you like to know more about it? Maybe show off your VW at a car show? Do you need help fixing or servicing your VW? Maybe you'd like to restore your classic VW, or what about hotting it up instead? No matter what your VW need might be, Club Veedub Sydney can help you!

Club Veedub was formed in 1985 to cater exclusively for all Volkswagen owners. We're Australia's premier Volkswagen club, with members in every Australian state and some overseas too, but we're based in Sydney. Our logo shows this - the famous Sydney Harbour Bridge combined with Volkswagen's Wolfsburg Crest.

Club Veedub is dedicated to keeping as many Volkswagens on Australia's roads for as long as possible. We aim to do this by helping owners learn about their VWs, and to grow and maintain their interest, enthusiasm and love for their VWs, because as we like to say, The Legend Never Dies!

Why join Club Veedub Sydney?

Firstly, as a Club Veedub member, you'll receive substantial discounts on VW parts and service from all recommended VW workshops and parts outlets. Just show your membership card! Your membership fee can often be recovered by the savings on your next service.

You'll receive a monthly copy of our club magazine, **Zeitschrift** (that's German for 'magazine'). It's full of the latest VW news and articles, VW tech tips, adventure stories, VW historical articles, test drives, past and coming VW events and all the juiciest VW for-sales. All sorts of great reading for the VW enthusiast. It's far and away the best VW club magazine in Australia. You can receive it as a printed copy, or more commonly nowadays, a full-colour PDF in your email.

You're not required to attend any meetings, nor participate in any way if you so desire. You can, if you wish, simply accept the benefits we have to offer with no obligation (Historic Plate holders must attend at least 3 club events per year.)

However, for the enthusiast we provide a wide range of other benefits and activities.

You're always welcome at our monthly club meetings, which are informal and good fun. No

boring 'moving to second the motion that the minutes be accepted' stuff! There's raffles, quizzes, films, talks and other cool things. You can chat with other VW owners. Members can borrow VW books, workshop manuals, owners guides and VW DVD movies from our extensive club library - for free. We meet at the Strathfield Golf Club, 52 Weeroona Rd Strathfield, on the third Thursday each month from 8pm.

You're invited along to attend any of our cruises, show days, swap meets, social events, picnics and other events for the VW fan. We have one event every month - just check the coming events calendar on our website. We are affiliated with CAMS too, so you could race your VW in drag and track racing (extra CAMS fees apply).

Need that special tool to fix your VW? We have a large range of VW factory tools and special fittings you can't find anywhere else, all for free loan to members. We also have many contacts in the VW trade who are happy to offer you free technical advice on restoration, modification and any other VW matter you could possibly think of.

We host the huge two-day 'VW Nationals,' Australia's biggest Volkswagen show, in May each year.

Benefits for Club VeeDub Members:
